

Recruits Wanted Pipers and Drummers

CITY OF NEWCASTLE RSL PIPE BAND

Proudly continuous since 1924!

***"WE ARE CURRENTLY
RECRUITING PIPERS AND DRUMMERS
OF VARIED EXPERIENCE
AND ANYONE KEEN TO LEARN"***

WOULD YOU LIKE TO PLAY IN A PIPE BAND?

The City of Newcastle RSL Pipe Band is the Hunter regions oldest continuous pipe band celebrating our 90th year in 2014.

Our Band is currently recruiting pipers and drummers of varied experience and anyone keen to learn.

To continue this proud tradition we are always interested in hearing from new pipers and drummers, Male or Female, who may or may not have had previous experience with a band. Age is no barrier with some of our learners being as young as 11 or 12 with our oldest piper being in his 80's.

If you are interested, please respond to any of our contacts shown on this website and we will be in touch with you to arrange a meeting at our Monday night practice.

What are you waiting for? Come and join the fun!
